

Specification for “T-Line” Toilet Cubicle system – Preschool Module

Providing & fixing of Toilet cubicle of T-Line make, Preschool Module with 12mm compact board, Aluminium SS finish sections & SS 304 grade hardware, height 1335mm/1500mm including bottom gap 115 to 150mm.

Cubicle Size: 900mm(W) x 1500mm(D) x 1335mm/1500mm(H)

Door Size: 600mm(W) x 1200mm(H)

Divider Size: 1500mm(W) x 1200mm(H)

Front panel Size: As per drawing x 1335mm(H)

Over All height: 1335/1500mm including 135-150mm bottom leg / 115mm bottom shoe

Note: The above size & height is standard, it can be customised as per the site requirement.

Panels: High-Pressure Laminate (HPL) Compact board made from layers of Kraft paper core treated with phenolic resin and top design paper treated with melamine resin compressed under high temperature and pressure & having density >1400 kg/cm³ and comply with EN438, IS-2046 standards & BS 476/97 fire standards. The board is to be antifungal, antibacterial and resistant to impact, scratch, heat, chemical & water. The divider panel is to be one continuous panel without any joints, the front panel & door are to be cut to the required width & height as per the drawing.

Section: All sections (U, L) to be of Aluminium SS anodized finish, the divider to be fixed to the wall using “U” profile, and the front panel to be fixed to the divider with “U” profile. 7mm deep & 12mm wide rebate grooves are cut into the front panel and door for door closing. 2mm thick rubber liner to be pasted on the front panel rebate edge for door banging noise reduction. All screws used in fixing to be of SS 304 grade. “L” profile to be provided at corners wherever needed.

Hardware: All cubicles are equipped with the following SS 304 Grade

Indicator Lock - Lock with a red-green occupancy vacancy sign to be fixed on the Front Panel (Lock is optional for kids of small ages)

Handle - To be fixed on both sides of the door.

Coat Hook - To be fixed on the inside of the door, 1 no. each.

Hinges - To be fixed on the inside, between door & front, 3 no. for each door.

Leg / Shoe - To be fixed on the Front panel at the bottom.

Note: Black anodised aluminium section & black nylon polyamide grade 6 hardware also available.

Nylon hardware in different colours & matching powder-coated sections available as per requirement.

Note: Custom shape Vinyl Print on the cubicle is available as per requirement

Mode of measurement: Per cubicle basis.
